

# Earn \$\$\$ for ESCS and your family...while you shop!

---

May 15, 2013

Dear ESCS Parents,

With SCRIP, raising money for our school couldn't be easier ... and now, we want our parents to reap the benefits of their savvy shopping! We are excited to announce a new opportunity related to the SCRIP program at ESCS.

***Effective immediately, families who earn money for our school through SCRIP purchases can earn 50% of the resulting profits back\**** ... a "win-win" for you and ESCS! Your rebate will come in the form of a deduction from ESCS' instructional fees next year. So if your purchases through the SCRIP program period earns \$250 for our school, your family would be entitled to take a \$125 deduction from the cost of instructional fees next spring. That's real money – for both you and ESCS!

*\*Complete program details are listed on the SCRIPS Rebate Program for ESCS document – included here and posted online at [www.escshsa.com](http://www.escshsa.com).*

Many of you have participated in our SCRIPS program this year – with about 25% of our families participating, we have raised over **\$3,900!** Thank you for your support! Many schools and religious communities nationally use SCRIP as a major source of fundraising, and it is easy to see why. The beauty of SCRIP is that you put your regular household shopping dollars to work. **With SCRIP, you earn money for our school without spending a single additional penny!** Just spend your regular shopping dollars with SCRIP gift certificates at the stores that participate in the SCRIP program. They're the same gift certificates that you buy at the store. And SCRIP can be used for just about any household purchase including food, clothing, entertainment, gasoline - even dining out. **Many popular retailers participate in our scrip program including: Target, Wal-Mart, Sam's Club, The Gap, Shell, Pizza Hut, Starbucks, Subway, Amazon, iTunes and many, many others.**

SCRIP works well when everyone pitches in and makes it part of their regular routine ... you may only earn a couple hundred dollars profit for ESCS using SCRIP, but if 80% of our families did the same thing, the results add up quickly! Ideally, our community could forego other fundraising efforts if we could work together to maximize our profit through the SCRIP program. And who doesn't like making money for their school without writing another check, right?!?

If you have not already signed up to participate, e-mail Cathy Hohs to get started. For full program details, please see the SCRIPS Rebate Program document at [www.escshsa.com](http://www.escshsa.com).

Thank you, and Happy Shopping!
